MINUTES OF PREVIOUS MEETING (ON AIR)

- Summarized by John WA2SSJ

TREASURER'S REPORT (Stan, WM3D)

- Noted life membership of Jed KD2UEZ
- Balance \$2316.42, counting dues paid after 3/31 bank statement.

RECRUITING IDEAS (Doug KD2LGE)

- Envisions brochures to hand out to license candidates, reviewed contents of 2.
- Ideas for contents, etc, to Doug.
- Tom suggested getting volunteer Elmers from the club. Mentor list?

RACES UPDATE

- 22/82 link to 145.45 in works with planning group
- VA site construction reviewed, not necessary to move repeater
- Planning meeting next week, all welcome.
- Nets continue on Sunday, with SET exercise possibly in works
- Geneva EOC (John WA2SSJ)
 - City ID cards for access and keys to attic stair distributed
 - Reviewed T/E, some work needing to be done, access procedures

OPERATING NOTES

- Wild Water Derby off, not much else in works
- RAGS hamfest July 11
- KLARA hamfest in August
- Skywarn online training coming up, multiple sessions, check on line.
- FD last weekend in June; EOC area reserved, may be able to socially distance; ARRL rules still encourage home operation
 - Steve WB2VMR suggested we plan on EOC, rather than try alternates, etc. Tom will notify Drumlins; public crowd not anticipated. 6 or 8 people can handle antennas.
 - Shirt order in works, see Tom, Out of pocket cost is \$10 for one shirt with club subsidy. Email Tom if you wish, will place order after May meeting.

VE TESTING

- At next meeting, see below

NEXT MEETING

- Will be at 3019 County Complex Drive

PROGRAM: Steve WB2VMR on NANO vector network analyzer (VNA); Malachite SDR; and Spectrum Analyzer.

ADJOURNMENT: 9:10

RS: John WA2SSJ
