

SIARC meeting minutes, February 10, 2021

Held on the K2BWK 146.820 repeater, starting at 7:30pm, by
President Tom Sanders KB2NCI

Secretaries report from January was read

Treasurers report—Balance in checking is \$2298.42

Repeaters—all still working well. Use is encouraged

VE testing—2 new techs in January

Robert KD2VJP

Giovanni KD2VJO

Next testing March 10, 2021

RARA is holding testing on the third Saturday of the month at the
Shriners building in Webster. See www.rochesterham.org for
details and preregistration.

RACES weekly nets continue on Sundays, 8pm, on the W2ONT
145.450- (110.9) repeater. Fortunately there have not been any
activations.

March is the 30 year anniversary of the big Ice Storm in the area.
Be prepared!

The nightly weeknight Health and Welfare net continues on the
K2BWK 146.820- (110.9) and all are welcome.

Next meeting will be March 10, 2021

Concluded about 8:00pm
