FIELD DAY SHIRT/SUPPLIES ORDER: One XL shirt still available.

SECRETARY'S REPORT: Minutes 5/11 summarized, all ok

TREASURER'S REPORT: \$2453.12 is current balance, reported by Tom. Says Stan WM3D sends his regards, still recovering.

OPERATING NOTES

1. Armed Forces Day station at Tom's QTH, several crossband contacts, test of Buddipole from RACES.
2. Tom rechecked Razzle Dazzle on club logo, still in works.
3. Steve WB2VMR reports repeaters are functioning, not sure if Fusion mode has been well-tested, heaters may have to be turned off. K2BWK machine is fine. Need to set time for work on link radio on 22/82 repeater at VA.
4. RACES Drill: Saturday morning, June 18. Email forthcoming Sunday. Test will involve activating stations at hospitals and two EOCs, and using digital modes.
5. Tour de Cure this Saturday, June 11
6. Keuka Triathlon supposedly June 12, no information.
7. Shortsville Fireman's Parade, June 17. Task will be parade organizing, 6 volunteers so far, 2-3 more needed.
8. Musselman Triathlon is July 10; need more volunteers. Interested, contact Tom.
9. RACES members should have DisasterLan login.
10. FIELD DAY: last weekend in June, will be held in conjunction with Drumlins ARC, at Safety Training Facility; setup at 1000 Saturday, optional breakfast at 0800 in Canandaigua; tear down 0900 or so Sunday. 6-8 needed at 1000 Saturday. Will be live fire training going on, too. Callsign will be K2BWK. See ARRL FD locator for site info.
11. Construction: Steve WB2VMR reviewed a SuperPixie CW 40m transceiver kit, \$12, as possible project; He will do program, and will take orders. It's a 1.2 watts off 9v battery, will take 9-15vdc.

PRESENTATION: Tony, KD2HNI, on Compilation of Recent Astronomy and Space News. Tony's now connected with Astronomy Section, Rochester Academy of Science. Noted that Unistellar eVscope2 offers new option to astrophotography, for \$4,200 or so. Program covered multitude of discoveries and developments, and included recommendation to mark April 8, 2024, on your calendar for total solar eclipse here in NY.
