

SIARC minutes for June 10, 2026 at the Safety Training Center

--Welcome and guests---*Santos Hernandez KE2GSR—new member*

--Secretary Report—Doug—*has the attendance sheet*

--Treasurer Report—Stan—*Balance 5614.17 (includes the \$1000 donation from Red Newt Racing and Check to WB2VMR for \$303 for band pass filters for Field Day)*

--RACES/ARES/Repeaters—Steve— *new VA repeater to be installed this summer, County to purchase new furniture for the EMO this summer, so we will need to move our radios, etc. out and then back in. TBD.*

Ontario County will host an AUXCOMM class November 7 and 8, with space for 30 students. Contact Steve if you would like to attend and he will get you on the list

--H&W net still going on weeknights on the 146.820 repeater—*just passed #1527*

---Breakfast this Saturday, 8am at Jack's Kitchen, Shortsville

---Rochester Hamfest, Saturday, June 20—Steve WB2VMR—*Steve to set up a table for SIARC, others to join?*

---*Report from KC2TCM and WD2STK on Dayton Hamvention—attendance nearly 38000, testing numbers down a bit but still substantial. Sabrina is one of the leads for VE testing, they recommended visiting the DARA Clubhouse if you attend. The Flea Market was a busy place.*

--Public Service events—

Shortsville Fire Department Parade, Friday, June 19, 4 to 8pm---Need Volunteers if available

Ironman/Musselman—Sunday July 12---could use a couple of more volunteers

Phelps Krauter races, Saturday, August 1-----need volunteers

Mammoth March in Letchworth Park, Saturday, August 8

Finger Lakes Triathlon, Sunday, September 13

---Seneca 7 donation to us of \$1000 for helping with the event in April.

Proposal to cover the entire fee/donation (\$200?) to Big M to thank Drumlins ARC—*It was agreed to NOT send Drumlins \$100 (they are well covered in funds per Jay. Suggestion to cover ALL of the cost for FD shirts for next year, as long as our funds are adequate. Steve brought up that SIARC use some of the funds to buy a couple of pop up tents for Field Day use.*

---*Tom KB2NCI suggested we think about donating some funds to ARRL to foster programs that educate and bring others into the hobby. To be discussed.*

For their members helping with Seneca 7, Ironman, Triathlon

--- Field Day, June 27 and 28, 2026—Big M Game Club—8am Breakfast, at Countryside

Restaurant (Tops plaza, Clifton Springs)—*will use K2BWK for the call, need to determine the class based on the number of stations (# of antennas??)*

10 am Set up at Big M Game Club on CR 43---need at least 8 for tower install

2pm—Operating begins.

Rich and Sabrina are working on menu. Will have 2 to 3 stations, but bring other equipment

You like to operate and play with. Come and play as long as you want.

---Field Day shirt pick up tonight from Steve--\$20 for your shirt

---POTA this summer---Bill H KD2SER—week of August 18—Tues, Thurs, Sat, Sunday at

Women's Right Historical Park, Seneca Falls—*more details to follow in July. Assistance is welcome.*

---July meeting is the "Show off your Mobile/Portable Station" in the parking lot

---KC2TCM mentioned that Drumlins would like to approach SIARC to become a partner in the April Hamfest and we would then split the proceeds. This would require us to provide man power to help them. To be discussed further.

--Operating Stories???—WB2GGM has been successful as Maritime Mobile with the UK from Honeoye Lake

Adjorn at 8:35pm then program

Program—Dave N2EZY and Steve WB2VMR—Inexpensive Test Equipment—*they brought several pieces of test equipment for members to check our their hand held radios for power out, swr, deviation and clarity of signals.*
