Plan is to do fldigi, Dlan and go kit organization, suggestions for other topics welcomed. Plan 3 hour session. Steve also noted the Sunday morning state RACES net, suggesting it's good opportunity to become familiar with HF nets. 3993.5 USB, digital 3583.5 follows on USB.

Public Service Events: President Tom KB2NCI noted the following:

- 4/22 Drumlins Hamfest (tailgating free; inside table \$5 SIARC will have 2 tables available for members' use)
- 4/29 Wild Water Derby, operators needed, setup by 11, done by 2. Safety comms. Todd W2ODD noted lunch will be provided.
- 6/16 Shortsville FD Parade

Repeaters Update—Steve WB2VMR reports nothing really has changed; all working well. SIARC repeater 146.82 susceptible to weather interference. Dstar repeaters in Honeoye not getting lot of activity.

Memorial: President Tom KB2NCI says balance of \$295 remains in the Lee Schutt WA2LEE memorial fund, and membership for one at i4H camp is \$500. A motion to donate the balance for the 4H general scholarship program passed unanimously.

SIARC Birthday: Saturday July 1 is celebration of club's anniversary at Tom's house, maybe special event station. Saturday after Field Day. Needs several to help with setup.

#### Operating Stories—

Breakfast last month had 23 in attendance.

President noted visit by WX1X at the breakfast last month; Rich WB2JLR noted WX1X's ancestors, some of the early pioneers in telegraphy, esp. for railroad use.

Field Day is June 24 an 25; planning to start after Drumlins Hamfest. EOC is reserved in case it's needed.

DX contest: President Tom managed about 70 contacts in several hours.

Jed KD2UEZ managed over 700 POTA contacts

Program: WIRES-X review presented by Steve, KA1CNF. Noted the Yaesu Educational System videos on youtube for basics.
