

SIARC MEETING NOTES FOR SEPTEMBER 9, 2020

MEETING CALLED TO ORDER:

At 7:30 by President Tom Sanders KB2NCI with 21 in attendance. The meeting was held on the lawn outside of the EOC to adhere to the COVID 19 regulations and all members wore masks. A VE session was being conducted inside the EOC. Tom then requested Club Secretary Ray Dreimiller AB2UY to read the June minutes that were accepted and entered into record. Tom reported that the July Meeting, which was our informal members show & tell and equipment swap meet that was held in the parking lot of the EOC, went well. Tom reports that all area and NYS Hamfests have been canceled with the exception of one that will be held Sunday September 27 at the Avon Flea Market location; no charge to get in, however check before you go.

TREASURERS REPORT:

Tom filled in for Treasure Stan Avery WM3D and reports that the club account now stands at \$1,798.77

HAM RADIO NETS:

The RACES Net is still held every Sunday on the 145.45 repeater and Tom reports that there will be a planned SET or Simulated Emergency Net in the near future.

The Weeknight Health and Welfare Net conducted by President Tom Sanders in the wake of the COVID 19 pandemic is still being held and has went extremely well. The membership gave thanks to Tom for doing this net held at 8pm.

PUMPKIN PATROL:

Dave Taylor KB2KBY reports that there are a few openings for the event that will be held Friday October 30th and Saturday October 31st. Dave strives to have enough volunteers so it will result with one night per person for the service that area hams have performed for over 40 years now. Troop E appreciates our help. Dave will need to know the

volunteers Plate number, Cell phone number and Email address to send instructions to the night before.

CLUB ELECTION NIGHT RESULTS:

- President- Tom Sanders KB2NCI
- Vice President- Steve Benton WB2VMR
- Secretary- Ray Dreimiller Sr. AB2UY
- Treasure- Stan Avery WM3D

Board of Directors:

- Dave Hunter N2EZY
- Doug Howles KD2LGE
- Todd Coon W2ODD
- John Park WA2SSJ
- Wes Mills W2WES

Siarc-Drumlin Liason

- Jay Hamill

We will probably be conducting pre meeting Board of Directors meetings

145.45 REPEATER:

Steve Benton reports that you will need to program the 110.9 tone and wait one millisecond before you talk so your initial transmission is not sent.

Normal meeting was adjourned at 8:05 then followed by a program given by Doug Howles KD2LGE on Antenna Modeling Design and NEC or Numerical Electromagnetics Code which was initially developed by the military in the 1970s. You can download the modern evolved program of this on the internet whereby you can insert your known antenna data and performance criteria calculations and results are almost instantaneously at your disposal. Thanks Doug for a very worthwhile and interesting program.

FINAL NOTE: We will figure out our October meeting plans sometime in the near future. To be announced.
