

SIARC MINUTES FOR JULY 14 2010

MEETING CALLED TO ORDER: 10 in attendance. This was more of an informal discussion meeting about drills, and suggestions of more hands-on stuff at our gathering. Also, it was suggested that we have more special event operations. There was also a discussion outlining some of the activities and developments over at the Antique Wireless Association. Several members described how they got into amateur radio, with more than a few anecdotes.

TREASURES REPORT: By treas. Stan Avery WM3D. Stan reported that the repeater insurance was paid in the amount of \$75.00 leaving \$1228.93 in the treasury funds.

FIELD DAY: Steve WB2VMR reported that he did 24 hours without falling asleep. He reported that there were from 6-8 people most of the daytime, and could have used more. Steve, Dave AB2WZ, and Don N2VDE ran 80, 40, and 20 on two inverted Vs and a vertical, respectively, with most activity on 40. Several hundred contacts, no public officials, and no satellite contacts. Next year Scott N2UMH suggested Geneva lakefront which seems to be the consensus. Details to be worked out.

TRAINING NET: Steve WB2VMR asked if we could get more check ins. Down to 4 one week, lately 6-8, and half of them are from Wayne County. Discussed assigning NCS duties instead of taking volunteers. Larry N2MLH mentioned Navy-Marine Corps MARS procedures as possible improvements. Nets run between 4.0 and 4.050 at 0930 and 1830 local time daily. MT63 used, too.

NEW MEMBER WELCOMED: Darius Kasinskas KC2YXM.

Meeting adjourned at 9PM

Minutes recorded by John Parks WA2SSJ, and submitted by Ray Dreimiller AB2UY

MEMBERS IN ATTENDANCE:

John Park	WA2SSJ
Steve Benton	WB2VMR
Darius Kasinskas	KC2YXM
Dale Hansen	KB2TNL
