

SIARC MEETING NOTES FOR JUNE 10-2015

MEETING CALLED TO ORDER:

At 8:05 By President Tom Sanders KB2NCI with 22 in attendance after we had a parking lot show and tell of mobile equipment. The May 13, 2015 minutes were read by club secretary Ray Dreimiller AB2UY and were accepted and entered into record. There was no treasures report this month.

COUNTY REPORT:

John Park WA2SSJ reported that the Geneva station was damaged by lightning over the last weekend. Dave Foster AB2WZ will get a list of damage and it is felt that the insurance will cover the expenses of repairs. We are in the process of obtaining another installer/tower contractor for the work to be done on the 145.45 repeater. Competitive quotes will be taken for the work to be done. Although John Park is now retired he will try to keep in touch with the county to relay information for our future county reports. Steve Benton WB2VMR has the new dipole antenna purchased by RACES all assembled and in his driveway ready to go up. He also has two Model 5000 repeaters one of which will go for the Geneva station.

ANNUAL CLUB PICNIC:

The club picnic will be held on a Saturday afternoon in August in place of our meeting. The exact date and location will be determined next month.

2015 PUBLIC SERVICE EVENTS:

MS Bike 150 Bike event July 18-19 in Penn Yan. Tom Sanders needs more volunteers; contact him if you would like to help. Overnight accommodations are available as well as some meals for volunteers staying overnight.

Red Cross 'Run for the Red; to be held on August 20th **and Finger Lakes Triathlon** to be held September 13th. Additional volunteers are also needed for these events; contact Tom Sanders. John Park mentioned that the Steam Boat parking lot formally used for Triathlon parking is gone and that there is concern about a place for the swimmers coming out of the water after the event.

Walkathon in Kershaw Park Saturday night from 4 to 8pm may need volunteers.

RACES UPDATES:

We are currently looking for suggestions from the club members on how we will utilize our 2015 yearly budget monies. The Sunday nets Ontario/Wayne are going well but Tom Sanders encourages everyone to check in whenever possible "the more the merrier." There will be a Department of Health drill on Saturday August 8th. There will be a RACES call off along with activation of the EOC, Hospital stations, etc.

FIELD DAY June 27-28th 2015:

Event coordinator Don Smith handed out flyers for the club members to post for public view wherever appropriate. This year's event will be held at the lodge at Ganett Hill with set up at 10am Saturday and operations of 3-4 stations HF, VHF and digital, running continuously until 9am Sunday. We will be sending out for pizza this year for food. Be sure to bring a coat or sweater in the event it gets cool at night.

ADDITIONAL ANNOUNCEMENTS:

Dean Stahlman W2WDS said that the 145.37 repeater is down. And that the 146.835 is having intermittent problems. John Greco KD2GTA reports nothing new on the club T-shirts.

MEETING ADJOURNED at 8:50
