

SIARC MEETING NOTES FOR June 14-2017

MEETING CALLED TO ORDER:

At 7:30 with 29 present including 26 members and 3 guests. The previous month's minutes were read by Club Secretary, Ray Dreimiller Sr, AB2UY and accepted.

TREASURERS REPORT:

Club Treasurer, Stan Avery, WM3D read the Treasurers Report and the account is at \$3,476.05.

COUNTY REPORT:

Just a reminder to get your new RACES ID cards at the county human resources office.

Last Thursday Jim KB2FNU donated a tower and a tri-bander antenna to RACES. We will determine its use at a later date.

We would like more attendance in the 8pm Sunday net but it will not be held this Sunday on Father's Day or any other holiday weekend

PREVIOUS AND UPCOMING EVENTS:

The May 20th drill Where operators were sent out to the various county fire halls and EMS locations went well. This drill only utilized voice communications from the parking lots

Tour de Cure Went well with 35 ham operators. The weather cooperated and the goal of reaching 1 million dollars was reached. There was an amount of 915,000 reached before the race even started . Mike put pictures on line and they will also be published in the RARA rag. There were 1900 registered riders with 1200 going out on the course. It was determined that we could use more help next year early in June.

The Finger Lakes MS challenge Is just 3 weeks away. We have enough operators for Saturday but we need more for Sunday. It will be held at Hobart College Geneva. If you are helping and would like to dorm overnight, let Tom Sanders know.

Rochester Ham Fest Was held 2 weeks ago at Walnut Hill Farms. It went well with around 1000 persons attending. It was commented that the owners were very friendly and accommodating.

Space Station contacts WB2GGM Norm Schrader friends school was not accepted for the Space Station contact this year. They will try again next year.

Field Day June 24th and 25th Don Smith N2VDE is doing the annual coordination and preparation for this year event which helps hams in the RACES service practice their set-up and operational procedures that are used in the event of an emergency deployment. Don passed out flyers and maps for the event that is being held at the Varick Fire hall which is about 40 minutes away from our EOC. Last year we had 409 contacts. Tom Sanders has a list of food entrees if you would like to help. A nomination was

carried for our club to donate \$100 to the fire hall and \$100 for food expenditures. Jay Hamill contacted News 10 about the possibility of coming out to cover the event. Don has contacted the Messenger Post. W2S will be the Field Day Call. 145.13 will be the talk in frequency. The Club Banner will be out to draw in spectators.

Dave Taylor KB2KBY Reports that there will be the Ginna Drill on June 27th and the FEMA Drill on August 22nd

Next Month's meeting Will be outside at 7:30 in the parking lot for show and tell of our mobile equipment between members.

Club Picnic Will be held in place of our August meeting. Get ahold of Tom Sanders if you would like to sponsor the location for the picnic.

Election of Officers Will be held at the September meeting

Drumlins July meeting John Greco reported that it will be held at the Antique Wireless Museum. Also in August the Drumlins ARC will hold a balloon launch at the Wayne County EMO

GPS and APRS software and interface cables. Steve Benton said that you can purchase these excellent unit supplies from Argentdata.com for \$95.00

Meeting was adjourned at 8:35 with no program to follow
