We will be getting the UHF antenna for the 442.2 repeater up on the Sheriff's tower when another one comes down which will necessitate moving the repeater over to the sheriff's building.

**HOSPITAL STATIONS:** By Dave Foster AB2WZ. Dave would like to appoint one nearby volunteer for each of the Hospital stations to oversee its operation by going to it and checking its operation every now and then. As of this meeting KB2TNL Dale Hansen volunteered for the Clifton Springs Hospital and KD2EHU Michael Friedland volunteered for Thompson Hospital.

**AWA CONFERENCE:** Stan Avery reports that it went well with an amazing attendance. People from all over the country, as well as the World attended.
