---Other information??

Steve WB2VMR spoke of a new handheld radio he purchased: Radtel RT880G, covers VHF, UHF, some HF transmit, and more. \$95 on Amazon

Discussion on a way for the club to acknowledge the County for their support of RACES and SIARC (we are lucky to have a meeting place this nice). Suggested by Dave N2EZY was a certificate of Appreciation. Any more ideas?

From Rich WB2JLR, there is a new on-line magazine, "SWR", a "Radio Ham" show from the 60s, AWA is doing an inventory of console radios they have. There may be wanted to dispose (sell?) of. Show up on Tuesdays or contact the Curator.

--Program—*Dave N2EZY on the AWA Convention being held from October 7 to 11, 2025 at the RIT Inn and Conference Center. Entry is \$75. Topic is Television. There will be a hamfest on Thursday and Friday.*

Adjourned around 9pm
